

FIRST to the market with... e-pay

Say goodbye to lost invoices, cheques and PODs. Say goodbye to bulging query files with hundreds or thousands of pounds of unpaid invoices, because one single piece of information is missing. Stop asking 'why am I still waiting so long to get paid'?

- No more admin headaches with the manual reconciliation process
- No need to chase where you are with any document, POD, invoice or payment
- No more unnecessary errors, time-consuming disputes or lengthy payment cycles
- No need to set up new suppliers and no limit to the number of sub-contractors
- Save time and money with one seamless electronic service
- Get paid quicker and more efficiently
- Have more time to focus on winning new business....
